***Corin Cooper-** In this show, Corinne plays the Cook for the Boddy Manor. Being in Clue this year is really a chance for her to push myself to juggle school and her interests. She also feels like we're making Shaw proud by doing what we all love.

***Sophie Casper-** Sophie is so grateful to get to be a part of theatre this fall, considering she did not believe we would get to have it at all this year. This season feels different without many people we care about but it is so good to be able to perform a show! We hope we "maid" your year and you all laugh a whole lot.

***Ethan McConnell-** Ethan has been in theatre all 4 years of High School and this is his 11th show at PHS. He is super excited to play Colonel Mustard because Mustard is a funny and fun character to play around with.

***Emma Noonoo-** Emma is so excited to be playing the role of Mrs Peacock in her 10th show at PHS! You may have recently seen her as Ms. Luckenbill in Freaky Friday. She wants to thank her director, cast mates, and crew for being so flexible and making theatre happen in any way possible.

***Kate Thueson-** Kate Is very excited for you to see the PHS performance of Clue! This is Kate's fifth show at PHS. She will be playing Mrs. White, a mysterious widow to 5 men.

***Dallas Cox-** Dallas has been a part of the PHS theater program for four years now. You might have seen him as the severed head in pippin; now he will be playing Mr. Green in "Clue." He is very excited for you to see him on stage for his senior year.

***Bryson Brown-** Professor Plum is being played by senior Bryson Brown. Plum is hiding a dark secret and would do anything to keep it concealed. This will be

one of Bryson's last shows with Pittsburg High School and is excited for you to see it.

***Annabella Beachner-** Being a part of Clue means so much to Annabella! Theatre is her passion, and doing this show makes her even more proud to be a thespian. She would also like to thank Shaw for helping her realize the potential she never thought she had. When someone falls, we *always* help them up.

***Keller Erwin-** Keller's character is Mr. Boddy, and without giving too much away, let's just say that he is the blackmailer. He is so excited to be a part of this production of Clue!

***Tate Campbell-** This is Tate's 3rd production at Pittsburg High School. This show is very funny and he advises anyone who likes humor, theatre, or even Clue the board game to come watch. It means so much to him that he is allowed to do this show even amidst the pandemic and he's so excited for people to see it.

***Ben Shawn-** In Clue I play the Police Chief who is investigating the visitors at Boddy Manor. Being in a show this fall means a lot to everyone involved. We are all excited to get to be back on the stage doing what we love.

***Alexandrea Muckala-** You may have seen Alex Muckala in Frozen Jr. as Elsa, or in Cats as Mungojerrie. She hopes you come see her in Clue as the singing telegram girl!

Alexis Miller- This fall show means a lot to her because it is her first High School Play and she is very excited to perform for the town! Lexie hopes that she will continue to be in more High School shows in the future! :)

Hannah Sanford- Hi, my name is Hannah Sandford, and I'm known as the Shadow Killer! Basically, I'm a shadow in the background that pops out during certain scenes to kill someone. Being a part of the show this fall means a lot to me since this is my first ever performance here at the high school, and I'm excited for the shows that are to come in the future!

Meet the Crew!

Olivia Doodnauth- This is Olivia Doodnauth's second year of high school and her third year of theater. She has done many shows including She Kills Monsters, Pippin, Freaky Friday, and others. She is excited to help with the production Clue with her peers and many other shows after this.

Cole Ingerson- Cole Ingerson is the lighting director for the show Clue, he has been doing lighting since sophomore year, and his favorite part about the show is how the cast, and the techs are making this show. It'll be great!

Hayden Stevens- Hayden is a senior this year, Hayden has been in theatre since her freshman year and plans to continue into theatre after high school, the ending

of the play is definitely one of her favorite parts because we get to go back and see why everyone is “the murderer” and just makes her laugh every time she see it.
